Subject: Parent Technology Survey

Dear Parents/Guardians,

We need your help! As a requirement from the New Jersey Department of Education, all public/charter schools in New Jersey must complete a three-year technology plan. Part of that plan requires us to ask our parents to complete a brief technology survey. We will use the data from this survey to complete a school technology needs assessment that will ultimately help us improve technology education at Golden Door. We hope that you will take a few minutes of your time to complete this survey. The parent survey should take no more than 10 - 12 minutes to complete.

Please use the following information to complete the survey:

- Log onto: <http://dl.njtrax.org/806915>
- Enter Your Code: Goat462
- Follow Prompts to Complete Survey
- When Survey is Complete, Click on "Submit Survey"

If you complete this survey by Monday, December 19th, your child may have a NUT Card to be used on Tuesday, December 20th.
