August 14, 2020,

*RE: Re-opening Plan*

Dear Parents/Guardians,

As you know, we have spent the summer creating a state mandated school-wide re-opening plan that will go into effect on September 8, 2020. This plan is based on CDC guidelines, New Jersey Department of Education's "The Road Back Restart and Recovery Plan for Education" guidance and data collected through various surveys and other communications.

The GDCS Re-opening Committee was formed in late June consisting of volunteers who helped create a realistic plan meeting the New Jersey Department of Education standards to re-open school this fall. This plan is now completed, Board approved and submitted to the New Jersey Department of Education. You may access our re-opening plan on our website at [www.goldendoorschool.org](http://www.goldendoorschool.org). We strongly encourage you to take some time to visit our website and carefully review this plan prior to the start of the 2020 – 2021 school year.

While this plan has been completed and submitted to the New Jersey Department of Education, it is very important for you to understand that this plan is subject to change, and very possibly could change. This *could possibly* include a switch to an all remote model to start the school year depending upon circumstances across Jersey City and the county. If such changes are to occur, we will make sure communicate them to you following receipt of the necessary approval(s).

We appreciate your patience and cooperation as we work to implement our reopening plans over the next several weeks.

Sincerely,

*Brian Stiles*

Brian Stiles
