RE: Continuation of All Remote Instruction

Dear Parents/Guardians,

Based on recommendations from the school's administration and Board of Trustees, **Golden Door Charter School will be extending 100% remote instruction through the end of the first quarter of this school year.** The Hybrid model of instruction, which includes some in-person instruction, will not be implemented at this time. This decision was made with the safety and wellbeing of our students and staff as the Board's main priority.

The school's administrative team and Board of Trustees will reassess the school's ability to safely re-open for in-person instruction. Our hope is that we will be able to do so by the start of the second quarter which begins on Monday, November 16, 2020.

We appreciate your patience and cooperation as we work to implement our plans over the ensuing weeks.

Sincerely,

Brian Stiles
