

Golden Door Charter School Summer Reading 2019

Please help us keep our students reading all summer.

- Students who read over the summer do better in school in the fall.
- 8 out of 10 studies indicate students who read for fun out-performed those who did not.
- Reading gets better when you practice.
- Reading helps improve writing style.
- It is highly recommended that students read more than the required book.

Parents/Guardians,

Every student in grades 5-8 will receive a book to read over the summer. Students are required to read the novel in preparation for the 2019-2020 school year. The first week of instruction will be based on the required reading. Your child will be graded on the work done in school based on the book. Grades from these assignments will be included in their quarter 1 report card. **Students will sign out the book prior to leaving for the summer and must return it when they come back in September.** Failure to return the book will result in a bill. Below you will find the title of the book with the cost if lost or damaged. The grade levels are based on the grade your child will enter in September. If you have any questions please email Mrs. Figueroa. dfigueroa@goldendoorschool.org
